A Visionary Our Inspiration

Saint Chavara

PRAYER FOR STUDENTS FOR SUCCESS

Most loving God, you are the source and fullness of all wisdom. We thank you for giving us a bright and powerful mind. Fill our minds with your light. Increase our memory power. Give us concentration in our studies. Lord, help us to organize our ideas systematically when we sit for our exams. Give us calmness of mind to overcome any fear or depression when ever we encounter any difficult problem. Be with us lord, encouraging us to face any negative situation with courage and confidence. Let your divine presence in us inspire and strengthen us to bring out the best from our studies and exams.

Lord, enlighten our minds to develop all our talents for your glory and for the service of our fellow beings. Let our lives become a shining light for others.

Lord, bless our dear parents, brothers and sisters, teachers and friends. O loving God, help us to be successful in our studies and come out with flying colors in our exams.

Saint Chavara, friend of students,
pray for us.

LEAD KINDLY LIGHT

Lead kindly light amidst the encircling gloom.
 Lead Thou me on.
 The night is dark and I am far from home.
 Lead Thou me on.
 Keep Thou my feet. I do not ask to see
 The distant Scene one Step enough for me
 So long Thy Power hath blessed me: sure it still
 Will lead me on
 O'er moor and fen, O'er crag and torrent till
 The night is gone
 And with the morn those angel faces smile
 Which I have loved long since and lost a while.

- John Henry Newman

INTRODUCTION

Carmel CMI Public School, is an educational enterprise of the Carmel Monastery, Vazhakulam. Ever since the founding of the monastery in 1859, it took special care and interest in the education of the people of the locality. This was part of the mandate of the founding Fathers of the CMI Congregation. Facilities for English education was provided in the seminary at Vazhakulam as early as in 1866. When the seminary became vacant in 1891, it was turned into an English Primary School in the same year. Unfortunately, it ceased to function in 1903 when the building was burned down. There was an attempt to revive the school in 1905. When the golden jubilee of the monastery was celebrated in 1909, the Infant Jesus Elementary School was started. The government accorded sanction to it in 1919.

In 1938, the high school section of Infant Jesus Elementary School was sanctioned. Later on an English medium parallel division was added to the school. Realizing the dearth of students for the English medium parallel division, the Management decided to start an elementary English medium school as a feeder school. Thus the Sabas English School was opened in June 1983, which got government recognition in 1991 after a protracted legal battle of five years. Subsequently, the English medium parallel division of Infant Jesus School ceased to function in 1987.

The Carmel English U.P. School was started in 1995 for the students who completed the primary classes in Sabas. But seeing the great demand for the C.B.S.E. systems all over India and abroad, the management introduced the C.B.S.E. system in 1997 and the school was renamed **Carmel CMI Public School**. The school was formally affiliated to the C.B.S.E. in 1998 upto Class X and was upgraded to Plus Two level in 2001.

AIMS AND OBJECTIVES

The aims and objectives of the School are:

- ⊗ Primarily to provide children sound education based on religious and moral values. Admission is open to all good and earnest candidates irrespective of caste and creed, for we base our training on the Fatherhood of God and the consequent brotherhood of all men.
- ⊗ To enable the children to acquire the highest kind of knowledge which will lead them to the understanding of concepts and principles rather than the mere learning of facts.
- ⊗ To develop physical, intellectual, social and psycho-motor skills of the pupil.
- ⊗ To develop positive attitudes to life which will lead to empathetic understanding of others and their feelings, and
- ⊗ To nurture the values which will determine the patterns of behaviour required to live in harmony with other individuals and with nature.

CURRICULUM

The School provides highly efficient coaching to both boys and girls according to the syllabus prescribed by the Central Board of Secondary Education, New Delhi. The objective of the curriculum is to fully develop the student's individual potentialities rather than to confine him/her to books alone. The medium of instruction is English. Hindi and Malayalam are also included in the curriculum.
